STATION #3 MAP SKILLS
THE MIDWEST

1. Into what two regions are the Midwestern states divided? Name the states in each region.

2. This region is highlighted by the natural resource of the Great Lakes. Name each of the Great Lakes that share the US/Canadian boundary. What is the significance of the St. Lawrence River in this region?

3. Compare maps of US and Canada with regard to Land Use, Population, and Highways and Airports. What 2 conclusions about the use of the Great Lakes and St. Lawrence seaway can you state from the information on these maps?

4. Label the capitals and color in the states of this region.
